

## California Appliance Rebate Program (effective July 29, 2010)

### OVERVIEW

Due to the lack of demand from CA residents for appliances, the CEC has **approved including Air Conditioners, Furnaces, and Water Heating equipment effective July 29, 2010**. There is still \$20M available for rebates

### KEY POINTS

- These rebates are first-come, first-served, once the stimulus money is gone so are the rebates
- Act now to also take advantage of the Federal Tax Credits that expire on 12/31/2010
- Receive up to \$1,300 cash on a new furnace and air conditioner, plus up to \$1,500 in Tax Credits

### NEW EQUIPMENT INCLUDED AND ASSOCIATED REBATES

## CONSUMER INFORMATION

See the links on the prior page to review the process.

- All of the required rebate information should be sent in a single mailing to the following address **within 120 days of purchase**:

**California Cash For Appliances  
P. O. Box 12150  
La Crescenta, CA 91224**

- For questions, call the following Toll-free Phone Number:- **1-888-390-4034**

## RESTRICTIONS AND RULES

- Rebates are limited to one appliance of each category per California residential address. A “residential address” may include a detached single family home, a condominium unit, an apartment unit, or a mobile home (post office box addresses do not qualify).
- The appliance must be installed in the residence prior to submittal of the complete rebate application
- Title 24 forms must be completed (in pertinent climate zones)
- Ducts need to be tested and sealed
- Building permits are required
- The purchaser must allow access to an inspector to verify installation, as required.
